

Nearest Libraries & Hours

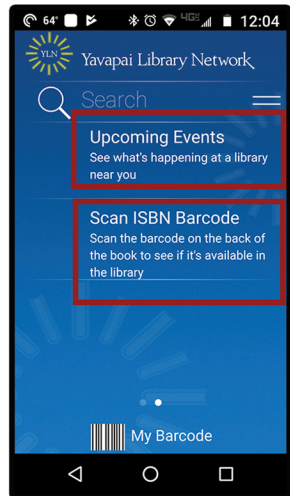

Find the nearest YLN library, see YLN library locations, and hours. Get directions, phone numbers and contact information. Best of all, you can connect to your library's website wherever you are.

Digital Collection

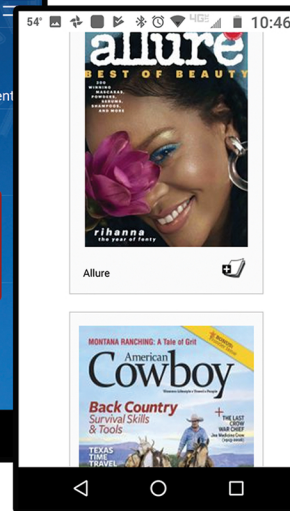

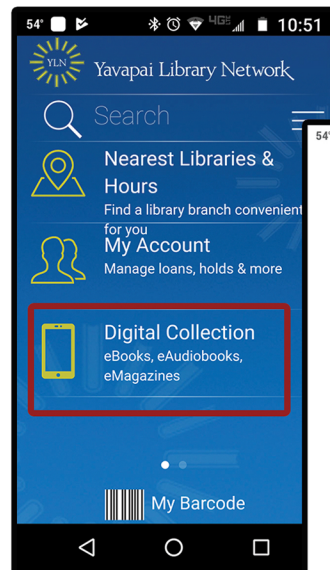

Access OverDrive, rbDigital Magazines, and Ebook Central.

Check out eBooks, eAudiobooks, and digital magazines that are accessible through your OverDrive and rbDigital apps, or read Ebook Central books right on your device.

Upcoming Events

Use this feature to access the events calendars of YLN libraries.

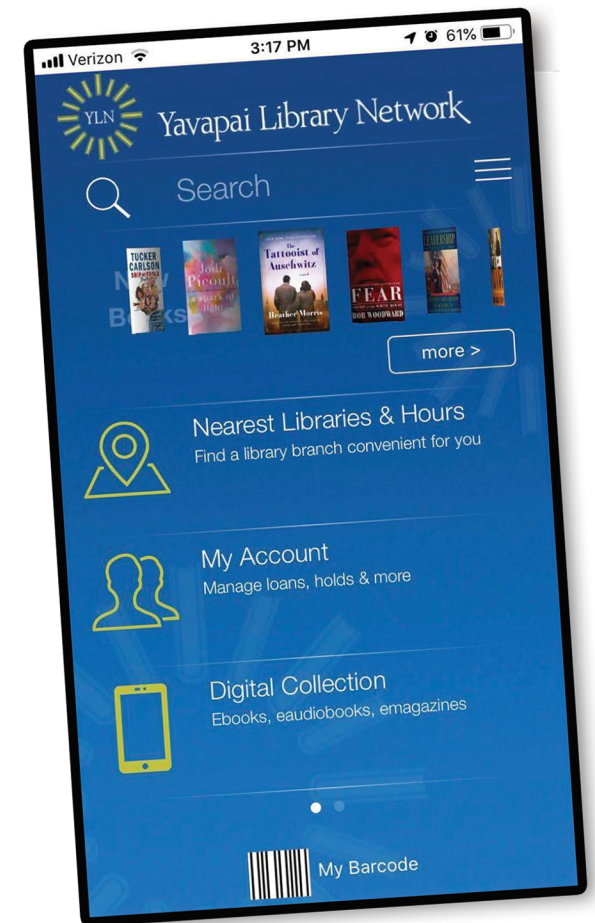

Scan ISBN Barcode

Use your device to scan an ISBN barcode on any book or audiobook to see if it is available from one of your YLN libraries and place a hold.

Your Library Network

Welcome
to the YLN
Mobile App...

...where you can access your library on any Android or iOS mobile device.

- ❑ Manage your loans and holds
- ❑ Renew and reserve books
- ❑ Download eBooks, magazines, and audiobooks
- ❑ Find the nearest library
- ❑ Get directions
- ❑ Contact the library
- ❑ See library events
- ❑ and more.

How to Get the App

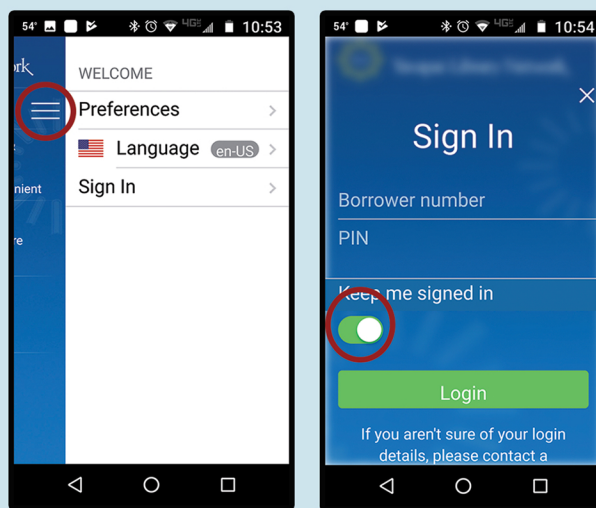

iOS: Visit the App Store, search “YLN Catalog” and download the app for free.

Android: Visit the Google Play store, search “YLN Catalog” and download the free app.

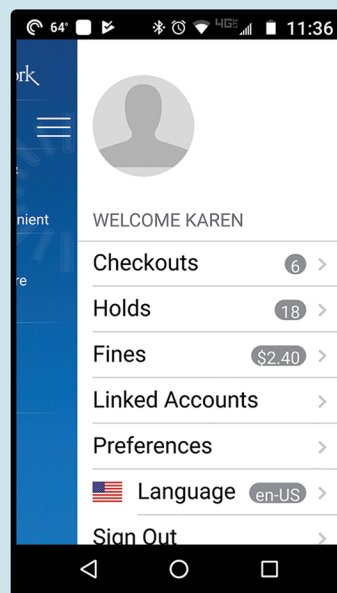

Signing In

Choose *My Account*. Enter or scan the barcode from your library card and your PIN. Toggle the button to stay signed in and you're ready to go.

My Account

Manage your loans and holds, link family accounts, see your fines, and manage your preferences.

How to Search

Enter your search term and click *Search*. To limit your results to a specific library or format, tap the blue bar at the bottom of the results page, use the dropdowns to choose your limiters, and tap *Apply Filters*. Search by Title, Author, Subject, ISBN, or Series, and when you find something interesting, read the reviews to see if it's your cup of tea.
